Fire Destroys Headquarters of Nonprofit, Operation Adopt A Soldier

FOR IMMEDIATE RELRELEASE:

WILTON - Late Saturday afternoon, Aug. 17, 2019 a fire broke out at the headquarters of Operation Adopt A Soldier at 4281 Route 50 in Wilton. Several fire departments and first responders responded to the scene and immediately started to attack the blaze that started in the utility room of the building which is also home to an apartment and another business.

The fire resulted in a total loss of the buildings contents which included donations and more than 200 packages ready to be sent to troops serving overseas.

We would like to thank Gansevoort, South Glens Falls and Wilton fire departments as well as Wilton EMS, Saratoga County Sheriff's Office and National Grid .

Firefighters were able to save two American Flags that encompassed signatures of military personnel.

"We will continue to serve our troops overseas as we fight to recover from this loss. It was unfortunate that the packages were not able to reach their final destination before this tragic fire" said Co-Chairman, Cliff Seguin. "We will hopefully be back on our feet soon and continue to work with the community."

We are currently accepting monetary donations through www.operationadoptasoldier.org, www.gofundme.com/manage/operation-adopt-a-soldier-fire, Saratoga National Bank, Glens Falls National Bank and a list of items and drop off locations is also available on our website.

Updates will be posted on our Facebook page and website as they become available. Thank you for all of your continued support.
